

Care Assistant (15/03/2016)

An outstanding Care home (Top 20 in Wales) specialising in providing Dementia care to the elderly has an amazing opportunity for a Care Assistant to join a very successful team of staff.

Salary: Negotiable, dependent on experience.

Hours: Part-time(24 Hours/Week), according to rota.

Key job responsibilities:

- Meet the required care needs of Service Users according to care plans, including personal care, bathing, toileting, feeding etc ensuring optimum independence, dignity and respect of individuals.
- Assist in daily activities/helping service users with restricted mobility to move to dining/communal areas.
- Ensure bedrooms/communal areas/equipment etc are kept clean & tidy.
- Update/keep written records as and when required.

Key requirements:

- A minimum of NVQ Level 2 in care or similar.
- Previous work experience in dementia care.
- Good team player, caring and passionate about providing care.
- Good communication/writing skills.
- Good organisational skills.

In return the care home will provide great training/development opportunities to work towards NVQ Level 3/Senior Management.
